

IEEE IAS Most Happening Chapter Award

Bylaws and Procedure Manual

Submission due date: Continuous submissions till 15th March, 2018

The IEEE IAS Most Happening Chapter Award Purpose:

The purpose of this award is to recognize the chapters doing outstanding events and activities and to continuously evaluate and monitor the performance of the IAS SB chapters.

Eligibility:

Any active Chapter of IAS

Nomination and Selection Procedure:

To be considered as a nominee, the chapter has to make submissions about their activities using IAS CMD NEWSLETTER Website (link: <http://sites.ieee.org/ias-cmd/861-2/submit-an-activity/>), throughout the year continuously. For 2018, the articles about activities that happened between 15th March 2017 and 15th March 2018 will be considered.

Selection Criteria:

As per the submissions made by the Student Branch Chapters on IAS CMD Newsletter website, the Committee evaluates the submissions based on the following criteria

- Number of articles submitted
- Number of selected articles published
- Activities/events mentioned in the published articles
- Quality of the events
- Regularity of submissions

Prizes:

- 1st Prize: \$800
- 2nd Prize: \$700
- 3rd Prize: \$500
