

# **Students and Young Engineers Meeting - Laboratory Exhibition in IPEC 2018- co-hosted by IEEE PELS/IAS & PPEJ**

This meeting is an official event of IPEC2018- ECCE Asia and jointly hosted by the Institute of Electrical Engineering of Japan (IEEJ), IEEE Power Electronics Society (PELS) IEEE Industry Application Society (IAS), and Ph. D. Candidates of Power Electronics in Japan (PPEJ). You are invited to join this event to communicate with the young members including students, young engineers, and young professors from across the globe, and learn from the life journey of the biggest leaders in power electronics at IPEC2018 – ECCE Asia. This event consists of the following two parts.
