Betreff: The First IEEE Kansas Power & Energy Conference (KPEC 2020) April 13-14, 2020, Manhattan, Kansas, USA

The First IEEE Kansas Power & Energy Conference (KPEC 2020) will be held at Kansas State University on April 13 " 14, 2020, Manhattan, Kansas, USA. This two-day conference will provide a unique opportunity for participants from academia and industry to present and discuss the most recent achievements and challenges in the power and energy domain.

KPEC 2020 is technically co-sponsored by the IEEE Industry Applications Society (IAS), the IEEE Power Electronics Society (PELS), and the IEEE Power and Energy Society (PES). This conference is being organized under the aegis of IEEE IAS/PELS/PES joint student branch chapter at Kansas State University.

The KPEC 2020 Organizing Committee invites researchers, industry professionals, and students to submit high-quality research papers with new ideas within the fields including:

- Power Electronics
- Power Systems
- Energy Management
- Cyber-physical Systems

Submission portal for five-page two-column digests is available at <https://app.oxfordabstracts.com/login?redirect=/stages/1462/submissions/new>

The conference proceedings will be submitted to the IEEE Xplore® digital library. Moreover, papers presented at this conference are eligible to be reviewed by IEEE Industry Applications Society for possible publication in IEEE Transactions on Industry Applications or IEEE Industry Applications Magazine.

The conference will include keynote presentations, technical sessions, poster sessions, etc. Further information is available at <https://www.kpec-ksu.org/home>.

Important dates are summarized below:

- Portal for digest submission opens: October 10, 2019
- Deadline for digest submission: December 15, 2019
- Notification of acceptance: January 15, 2020
- Deadline for full paper submission: February 15, 2020
- KPEC 2020: April 13- 14, 2020

We hope to see you here in Manhattan, KS for KPEC 2020. Please do not hesitate to contact us for any information you might need.
