Betreff: [Digest Deadline Extended to Oct.27] Call for Paper :11th ANNUAL POWER AND ENERGY CONFERENCE AT ILLINOIS

11th ANNUAL POWER AND ENERGY CONFERENCE AT ILLINOIS

Deadline Extension:

The Digest Submission Deadline is extended to Sunday, October 27, 2019.

The Poster Submission Deadline is extended to Wednesday, January 15, 2020. We strongly encourage your participation to the poster session. There will be rolling acceptance to poster abstracts. So if you need time to plan your trip, please submit abstract early.

The Power and Energy Systems group at the University of Illinois at Urbana-Champaign cordially invites you to attend and present at the 11th Power and Energy Conference at Illinois (**PECI**) which will be **held in the I-Hotel at the University of Illinois at Urbana-Champaign from 27th February to 28th February, 2020.**

The conference is organized by the IEEE Power Electronics Society / Industry Applications Society Joint Student Chapter at the University of Illinois each year. PEFI 2020 assembles students pursuing energy-/electronics-related degrees and experts from industry and academia to engage in a forum for technical presentations and professional development.

Graduate student-organized and led, PEFI fosters discourse broadly across the electric power and energy disciplines which include, but are not limited to:

- **Power Systems**
- **Power Electronics**
- **Electric Machines and Drives, Electro-mechanics**
- **Renewable Energy Technologies**
- **Energy Markets and Demand Response**

The University of Illinois at Urbana-Champaign is centrally located for IEEE Region 4 universities and major power and energy companies. However, PEFI is not restricted to members from IEEE Region 4. Past attendees have come from local universities such as Wisconsin, Missouri S&T, and Purdue, and from universities around the globe. A large number of industry partners have also attended in the past, ranging from Ameren and Commonwealth Edison (ComEd) to Texas Instruments.

We encourage you to submit posters, especially undergrads. While these will not get published on IEEE explorer, the potential to present a small research project and gain conference experience may also be beneficial.

The important dates are as follows:

PAPERS	POSTERS
October 27, 2019: Digest Submission Close	January 15, 2020: Abstract Subn (Rolling Acceptance)
November 15, 2019: Preliminary Acceptance	January 22, 2020: Last Acceptan Notification
January 1, 2020: Final Paper Submission	February 1, 2020: Final Submissi
January 14, 2020: Final Acceptance	

More detailed information regarding this conference is at <http://peci.ece.illinois.edu/> and the “Call for Papers” is also available for download at <https://www.peci.ece.illinois.edu/papers/2020Call4papers.pdf>
Please consider the opportunity to submit and publish original scientific results to Peci 2020, and if you know of any individual or group who might benefit, we request that you pass this email to them as well. Should you have any concern or question, please do not hesitate to contact us.

If you wish to unsubscribe, please email peci-publicity@illinois.edu with the subject "UNSUBSCRIBE".

Sincerely,
 Jianqiao(Peter) Xiao
