

# IAS CMD Virtual Meeting Series

## *Distinguished Lecture Series: Lecture 2*

### **Dr. David Torrey**

IEEE Fellow and Senior Principal Engineer at GE Global Research Center, USA

- Topic: Design of Superconducting Synchronous Machines for Low Speed Applications

### **Prof. Jian-Xin Shen**

IAS Member-at-Large and Professor at Zhejiang University, China

- Topic: Applications and Multi-Physics Design of High Speed Permanent Magnet Synchronous Motor

28 November 2020, 12pm (UTC) / 7am (EST)
