

Free First Year IAS Membership

Offer: Free first year IAS Membership for **Active IEEE** (both higher grade and student grade) Members

Description: IEEE Industry Applications Society (IAS) Society Membership for 2021

Promotion Code: **IASLRP**

Why Join IAS?

- Access to valuable professional publications
- Opportunity to make global connections with professionals who have a diverse technical background in various specialist fields
- Access to informative meetings, seminars, webinars, tutorials and conferences
- Discount at various IAS sponsored conferences
- Free subscription to the IAS magazine
- Automatic membership at local IAS chapter (if existing)
- Helps you to develop your professional identity and enhance career opportunities

Online Application Process:

- Go to <http://www.ieee.org/index.html>
- Sign in with your IEEE account (upper right corner, email address and password of your IEEE account)
- Hover your mouse over “Communities” and click on “IEEE Societies” from the list that appears
- Click “Industry Applications Society” from the list of IEEE societies that appear
- Click the “Join or view membership benefits” button under the society name
- Click “Add item(s)” on the IEEE IAS Membership page
- Click “Proceed to checkout” on the right hand pane once the IAS membership is listed in your cart
- Enter the promotion code “IASLRP” under the Membership and Subscriptions items table and click “Apply”
- Your IAS membership fee will now be \$0.00.
- Click “Complete Membership Order and Checkout” at the bottom of the webpage to complete your IAS membership. You are now an IAS Member!

*Note: Available only as first year IAS membership to existing (active) IEEE members. Non-IEEE members, Associate or Society Affiliate members may apply for IEEE membership **prior** to making use of the promotion code. The promotion code is not applicable if you have previously been an IAS member.*
